NOREC EXCHANGE PROJECTS IN CAMBODIA

An overview over Norec partners, participants and exchange projects

The Norwegian Agency for Exchange Cooperation (Norec) is Norway's only competence centre for international exchange. As an executive body under the Norwegian Ministry of Foreign Affairs, we are a key part of Norway's integrated approach to achieving the UN's sustainable development goals.

For over 60 years, Norec has helped organisations, institutions, and companies to grow and develop by using the most important resource they have: people. With a grant from Norec, workplaces send employees on exchange to another country.

Norec also coordinates recruitment of Norwegian citizens to positions funded by the Norwegian government at the UN and the World Bank. This includes positions as Junior Professional Officers and United Nations Volunteers.
