

⇒ Norec from 1963 to 2023: ⇐ Shared knowledge for 60 years

The Norwegian Agency for Exchange Cooperation (Norec) is Norway's only competence centre for international exchange. As an executive body under the Norwegian Ministry of Foreign Affairs, we are a key part of Norway's integrated approach to achieving the UN's sustainable development goals.

Our methods put people at the focus. For over 60 years, Norec has helped organisations, institutions, and companies to grow and develop by using the most important resource they have: people.

With a grant from Norec, workplaces send employees on exchange to another country. When the employees return, the entire organisation benefits from what they have learnt. The employee gains valuable international work experience, new ideas and new skills.

Norec also coordinates recruitment of Norwegian citizens to positions funded by the Norwegian government at the UN and the World Bank. This includes positions as Junior Professional Officers and United Nations Volunteers.
